On September 24, 2013, Petitioner Silvia Lopez (Petitioner) filed a Request for Expedited Review pursuant to Title 8, California Code of Regulations section 20393 in the above-captioned matter without stating the applicable subsection of 20393 that supports the request for review. Petitioner sought review of the Regional Director's decision to interview employees without the counsel they had chosen, who ostensibly had also represented a farm labor contractor (FLC) that provided employees to Gerawan Farming, Inc. (Employer). On September 25, 2013, the Regional Director issued his decision dismissing the election petition because of an inadequate showing of interest. We find review inappropriate under section 20393 and, given that a Regional Director's determination of the adequacy of the showing of interest is not reviewable

(Cal. Code Regs., tit. 8, § 20300(j)(5)), we dismiss the Request for Expedited Review as moot.

By Direction of the Board.
