OPEN SESSION

Regulations Status of rulemaking process regarding proposals on exculpatory evidence and familial voter eligibility exclusions adopted by the Board on November 4, 2009 and February 3, 2010.

The Board met on this date because immediate action was legally required. The Office of Administrative Law (OAL) had a deadline of April 9 to approve or reject the proposed amendments. OAL contacted the Board on April 7 and informed it that under OAL's interpretation of State Admin. Manual section 6614, the Secretary of the Labor and Workforce Development Agency (or her designee) must sign the Board's Form 399 (Fiscal Impact Statement). In order to resolve the matter prior to the April 9 deadline, the Board sought the signature of the Secretary on the Form 399. When it became clear that the signature could not be obtained prior to the April 9 deadline, the Board decided to withdraw the regulations package pursuant to Government Code section 11349.3, subdivision (c).

The public meeting adjourned at 11:20 a.m.
