This bill would further require the board, by July 1, 2004, to advise each labor organization on the list and each respective employer of their rights and responsibilities under those provisions of the Labor Code providing for mandatory mediation to achieve a collective bargaining agreement. The bill has been set for hearing on March 26, 2003.

AB 1722 (Committee on Labor and Employment)

This bill was introduced on February 27, 2003. It would require the Governor to appoint two legal advisors for each ALRB board member upon recommendation of that board member, to serve at the pleasure of the recommending board member and to receive a salary to be fixed by the board with the approval of the Department of Personnel Administration.

Senate Bill X1 1(Poochigian)--State Economy: Suspension of Statutes

Various statutes enacted in the 2001-02 Regular Session of the Legislature, relating to workers' compensation, labor standards, and agricultural labor relations, will take effect on January 1, 2003. This bill would provide that these statutes shall not become operative until the date the Governor issues a proclamation declaring that the California economy has fully recovered from the recession that began in 2000.

Among the affected statutes would be Senate Bill 1156 and Assembly Bill 2596, which created, the Mandatory Mediation Law as to which the Board has issued proposed regulations. This bill would declare that it is to take effect immediately as an urgency statute.

Senate Constitutional Amendment 1 (Burton)--Access to government information.

This measure would provide that access to information concerning the conduct of the people's business is a fundamental and necessary right of every person in this state. It would provide that, except as otherwise provided in the California Constitution, the people have a right to attend, observe, and be heard in the meetings of elected and appointed public bodies, and to inspect and obtain copies of records made or received in connection with the official business of any public body, agency, officer, or employee, or anyone acting on behalf of a public body, agency, officer, or employee. This measure also would provide that nothing in its provisions supersedes the right to privacy guaranteed by the California Constitution, or limits the ability of the Legislature to provide by statute, or the Judicial Council to provide by rule not inconsistent with statute, for the protection of personal privacy.
