On August 20, 2021, the General Counsel of the Agricultural Labor Relations Board (Board) filed with the Board a request for subpoena enforcement in the above-captioned matter along with a supporting declaration. The General Counsel requests that the Board authorize the filing of a superior court action pursuant to Board regulations 20217, subdivision (g) and 20250, subdivision (k) to enforce a subpoena duces tecum served on respondent Lily’s Green Garden, Inc. (Respondent) on April 23, 2021.¹ The General Counsel asserts that the subpoena was properly served on Respondent, that Respondent did not provide the requested documents within the time

required by the subpoena and that, while Respondent later provided responses to some of the document categories identified in the subpoena, those responses were incomplete. The General Counsel seeks enforcement with respect to document categories 1-6, 8, and 10.

The Board hereby ORDERS that Respondent shall have until Friday, September 3, 2021, to file with the Board a response as to why the General Counsel's request should not be granted. Such response shall be supported by declaration(s) under penalty of perjury, as appropriate, and must be received by the Board no later than 4:00 p.m. on the date indicated.

In addition, the Board notes the General Counsel's filings reference various communications exchanged between the parties, as well as objections purportedly served by Respondent on May 18, but such materials are not included in the filings. In the interest of ensuring a complete record, the Board hereby directs the General Counsel to submit to the Board the communications (1) referenced in paragraphs 4, 7, and 12 of declaration in support of its enforcement request, (2) paragraphs 9-12 of the declaration in support of the subpoena duces tecum, and (3) any other correspondence exchanged between the parties concerning the General Counsel's document requests and relevant to

the present dispute. The General Counsel shall submit these materials, with service on Respondent, no later than 4:00 p.m. on Friday, August 27.
